FSL

Light up the World

Light, comes with warm emotion
Illuminates the darkness, lights up with hopes
Make your world with infinite possibilities when encountering unknown

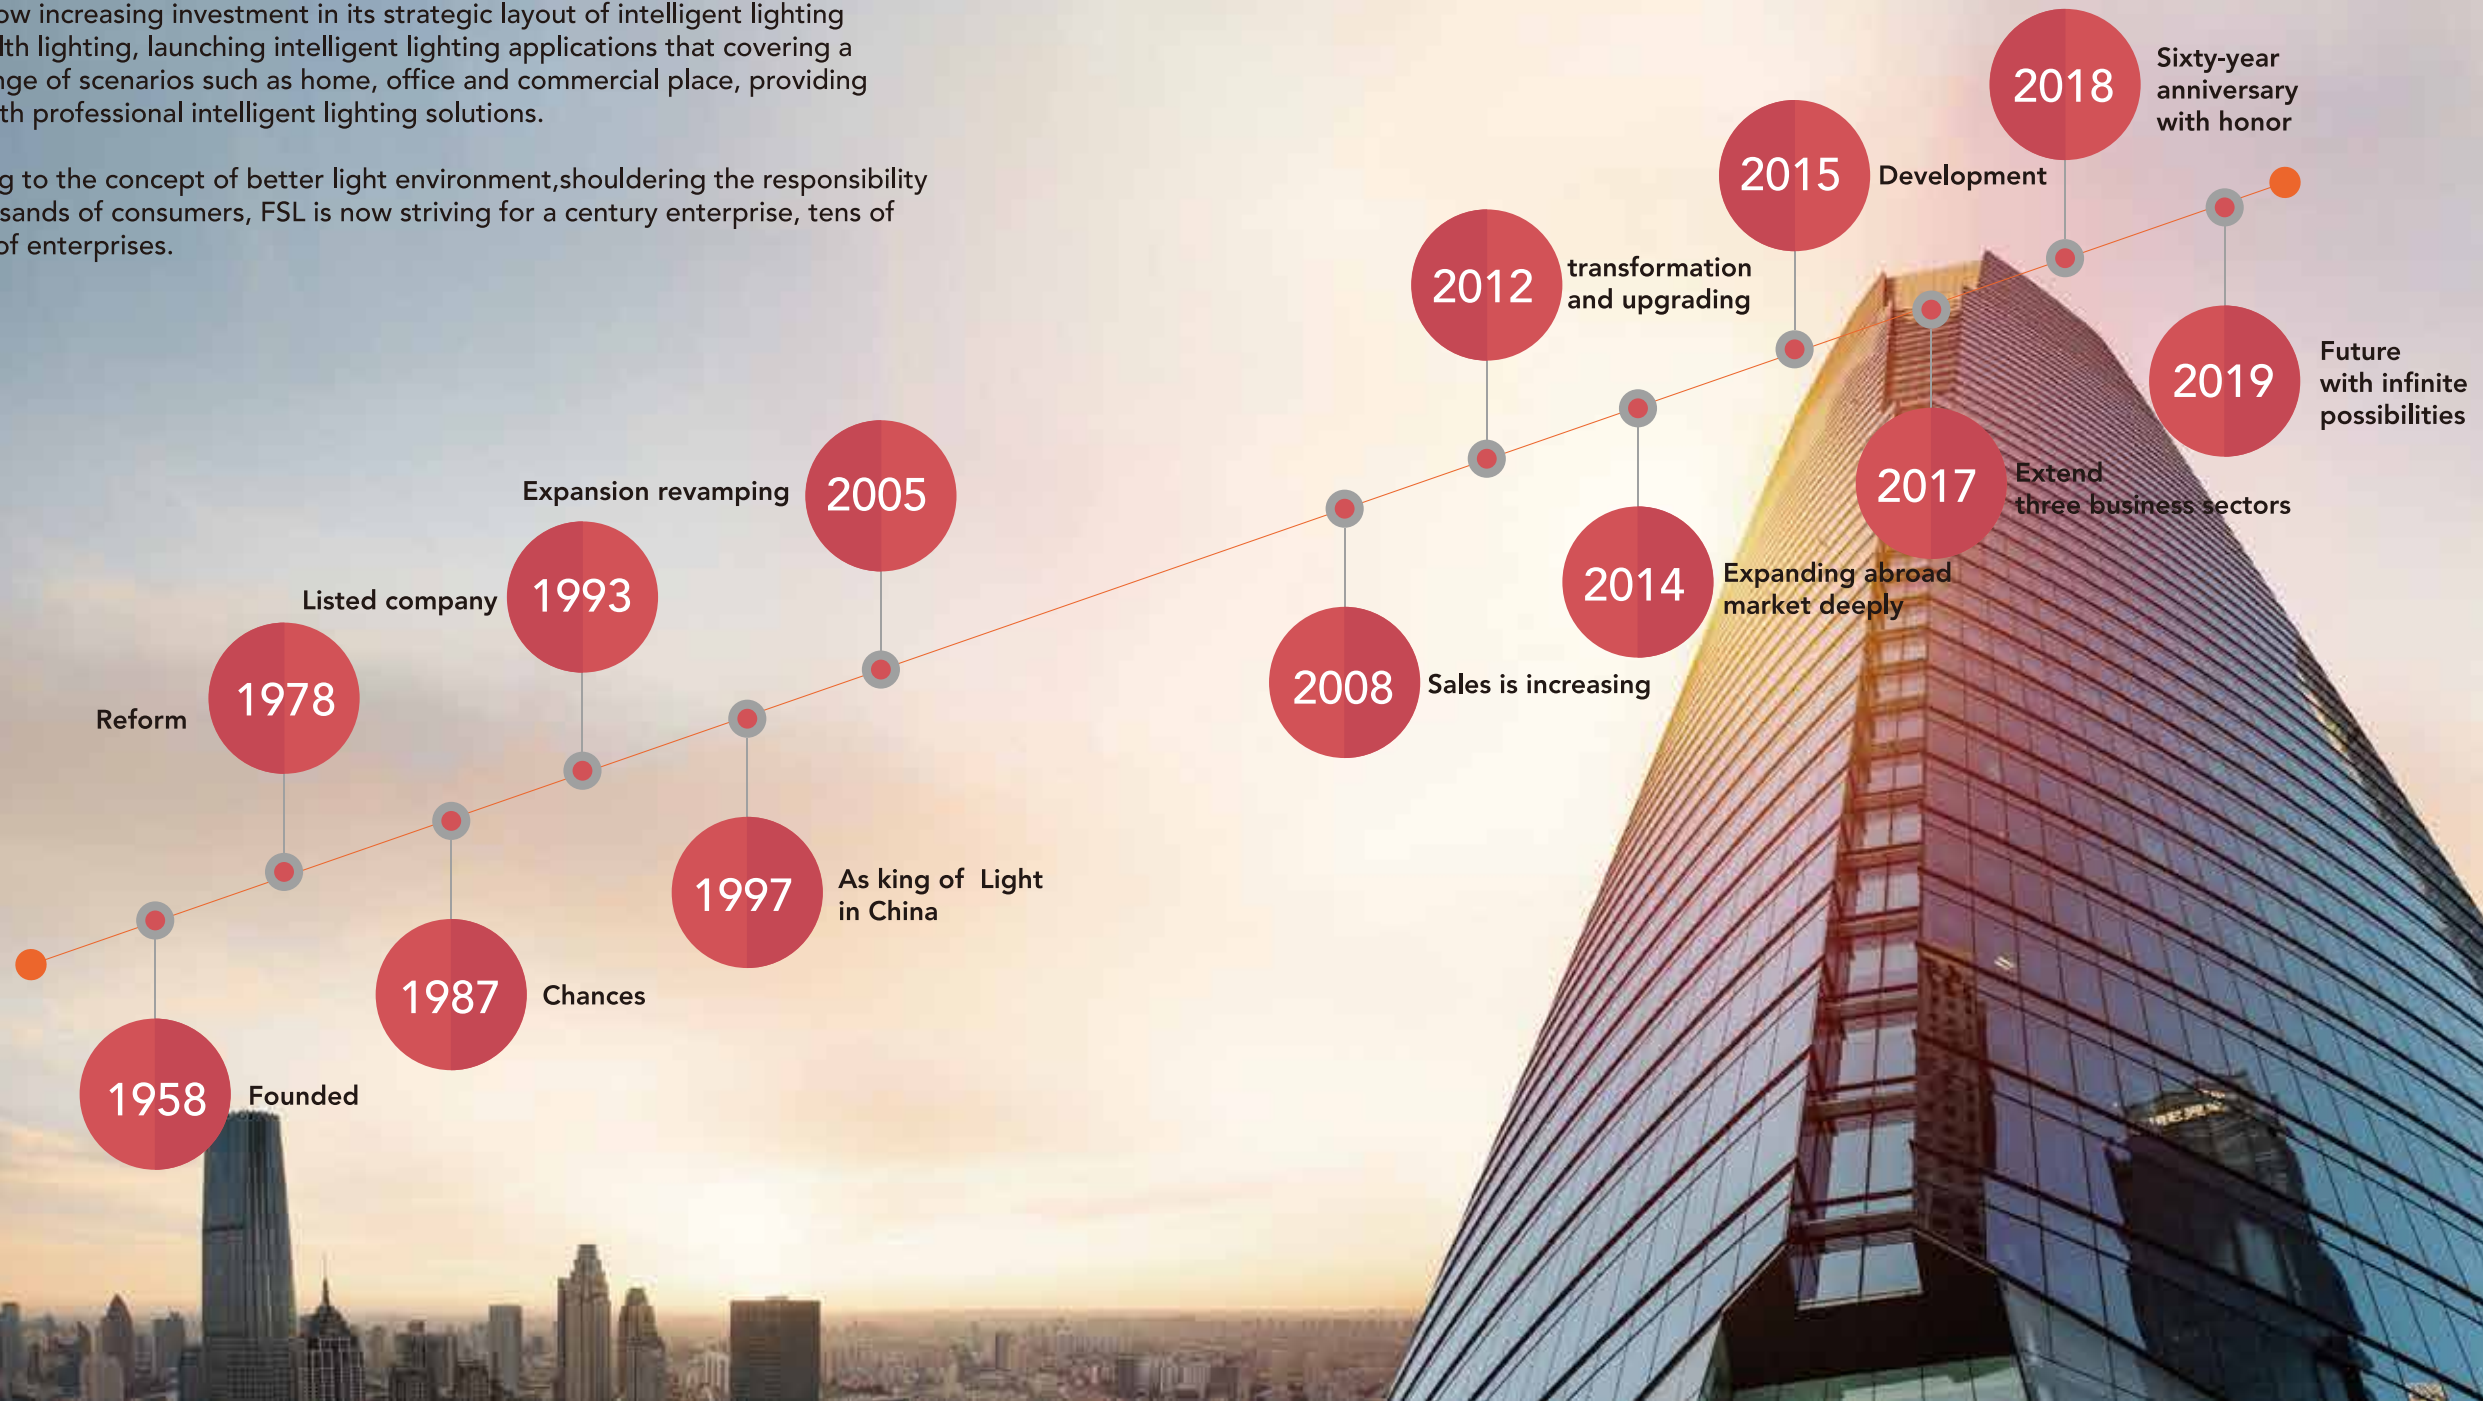

Light, the soul of space, lights then live
We create the greatest value of light with hearts
Just leaving you a most beautiful memory with lights and shadows
in those familiar or unfamiliar spaces

FSL Company Introduction

FSL was founded in 1958, has been focusing on the research, development, production and promotion of high-quality and green energy-saving lighting products, aiming to provide customers with full series of lighting solutions and professional services. It has a complete and efficient production, operation system and quality management system, is one of the most comprehensive lighting brand of China.

FSL is now increasing investment in its strategic layout of intelligent lighting and health lighting, launching intelligent lighting applications that covering a wide range of scenarios such as home, office and commercial place, providing users with professional intelligent lighting solutions.

Adhering to the concept of better light environment, shouldering the responsibility for thousands of consumers, FSL is now striving for a century enterprise, tens of billions of enterprises.

Chingay parade-
Johor Bahru Old Chinese Temple

Chingay parade attracts thousands of people to the parade for worshipping gods. It is one of the traditional festivals in Malaysia, and people from all over the world flock to Johor to attend the festival.
FSL, as one of sponsors for dragon dance troupe, participated and shared the joy of the festival with the local people in 2019, wishing people all over the world best of luck in the lunar new year!
